The Investmentkongress 2025

Register today!

Decision-makers from the world's leading asset management companies will meet once again in Munich on 24 September 2025. Building on the excellent feedback from the Investmentkongressin 2024, we remain committed to the tried-and-tested concept – as well as the location on the traditional Nockherberg.

The main component of the Investmentkongress 2025 will once again be an in-person day in Munich. In addition to exciting keynote lectures, you can also expect 15-minute short lectures at the marketplaces, which are directly integrated into the exhibition space. These slots are exclusively available for exhibitors. The perfect finish to the day is, of course, the traditional joint Oktoberfest visit.

In addition, there will be a second Investmentkongress day on 14 October 2025, which will be purely virtual as usual. Here, too, you can book one of the 30-minute lectures. In 2024, an average of 65 listeners per session participated in this event. Use this platform to share your expertise with a highly interested audience!

The possibility to sponsor the Investmentkongress 2025 should also be explicitly mentioned here. In addition to our usual sponsoring packages, we are happy to collaborate on developing individual sponsoring ideas for your purposes. Please feel free to contact us.

All information about the congress can be found on our website: www.investmentkongress.de.

We look forward to welcoming you to a great event!
